Maya Townsend of Partnering Resources Elected President of ZUMIX Board of Directors

CAMBRIDGE, MA, Jun 27, 2007 – Maya Townsend, founder and lead consultant of Partnering Resources, was recently elected President of the Board of Directors of ZUMIX, an East Boston-based, youth arts organization.

ZUMIX, founded fifteen years ago, is an exemplary arts and youth development organization (www.zumix.org). Through its programs in music technology, songwriting, and instrumental music, ZUMIX inspires and empowers young people to use music to make positive changes in their lives, their communities, and their world.

As the new President of the Board of Directors, Maya Townsend said, “It’s an exciting time for the organization. We’re well on our way towards raising the \$4.2 million for ZUMIX’s capital campaign. With this money, and the support of the City of Boston and the community, we’re well on our way towards creating a permanent home for the arts in East Boston.”

Maya Townsend is founder and lead consultant of Partnering Resources, a Cambridge-based management consulting company (www.partneringresources.com). Maya was introduced to ZUMIX through her volunteer work coaching the Executive Director. “I fell in love with the organization, the kids, and the music,” she says, “I’m delighted to serve as Board President.”
